Ya, but they say because the form says anyone who signs it agrees to a "FULL SATISFACTION AND FINAL SETTLEMENT," they forfeit any future claims to damages.

Hey Liz,

I saw a news article quoting the president of Navajo Nation basically saying the EPA is trying to waive their future rights to damages from the mine spill. They claim this form (<http://www.indianz.com/News/2015/08/12/epaform95.pdf>) distributed by EPA officials to the Navajos.

I was wondering if EPA had a response to this? Please let me know ASAP. Thanks!

Best,

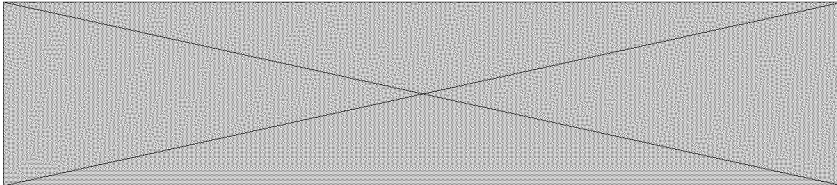

Mike
